**Fee Review Status**

15. The Fee Examiner was appointed on April 8, 2020 and B&K's retention was approved May 26, 2020. At that time, the case had been pending for approximately eight (8) months and the Retained Professionals First Interim Fee Applications had been filed and approved, but the 20% holdback fees for this fee period was reserved pending the Fee Examiner's review and approval of the First Interim Fee Applications.

16. In the First Interim Fee Applications, the Fee Examiner was tasked with reviewing the interim fee applications for twenty-one (21) Retained Professionals for an approximate total fee amount of \$75 million.

17. The Fee Examiner and B&K, with the critical assistance of the analytic software licensed by Legal Decoder, were then able process the fee data from the 21 Retained Professionals for the First Interim Applications, and then began a process of issuing interim reports to the Retained Professionals on a rolling basis.

18. The Fee Examiner and B&K were able to then discuss and consensually resolve the issues raised in the Fee Examiner's interim reports for all but one of the Retained Professionals<sup>3</sup> leading to consensual orders [Docket Nos. 1306 & 1371], which approved the holdback amounts for the Retained Professionals minus any consensual reductions agreed to by the Fee Examiner and the Retained Professionals.

19. The Fee Examiner and B&K, with the use of Legal Decoder software, were able to conduct their review, issue recommended reductions, resolve all issues with the Retained Professionals in an expeditious matter. Additionally, these efforts lead to a reduction of aggregate professional fees of approximately \$540,000.00.

---

<sup>3</sup> The Fee Examiner and Bayard, P.A. agreed to defer all of the issues raised by the Fee Examiner in his report to the final fee application stage. Bayard, P.A. is expected to soon file a final fee application in this case.

20. For the Second Interim Fee Application period, the Fee Examiner was tasked with reviewing the interim fee applications for twenty-three (23) Retained Professionals for an approximate total fee amount of \$75 million.

21. The Fee Examiner and B&K, with the critical assistance of the analytic software licensed by Legal Decoder, were then able process the fee data from the 23 Retained Professionals for the Second Interim Applications, and then began a process of issuing interim reports to the Retained Professionals on a rolling basis.

22. The Fee Examiner and B&K were able to then discuss and consensually resolve the issues raised in the Fee Examiner's interim reports for all but one of the Retained Professionals leading to a consensual order [Docket Nos. 1649], which approved the holdback amounts for the Retained Professionals minus any consensual reductions agreed to by the Fee Examiner and the Retained Professionals.

23. The Fee Examiner and B&K, with the use of Legal Decoder software, were able to conduct their review, issue recommended reductions, resolve all issues with the Retained Professionals in an expeditious matter. Additionally, these efforts lead to a reduction of aggregate professional fees of approximately \$484,000.00

#### **Summary of Services Rendered**

24. The services rendered by B&K during the Fee Period can be grouped into the categories set forth below. These categories are generally described as follows:

a. BK/Fee Examiner – Retention and Fee Applications

Total Hours: 34.9

This category includes time spent regarding preparation of employment and fee applications for Bielli & Klauder, LLC.

b. Case Administration

Total Hours: 64.3

c. Fee/Employment Applications- Retained Professionals

Total Hours: 486.8

This category includes time spent regarding review, analysis, discussions and negotiations regarding the fee applications for Retained Professionals.

**B&K's Requested Compensation and Reimbursement Should Be Allowed**

25. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered ... and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement. In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including:

- a. the time spent on such services;
- b. the rates charged for such services;
- c. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- d. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- e. whether the compensation is reasonable based on the customary compensation charged by comparably skilled

practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

26. The foregoing professional services were performed by B&K in an efficient manner were necessary and appropriate to the administration of the Chapter 11 Cases, and were in the best interests of the Debtors, their estates, and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved.

27. B&K asserts that the fees it is charging for this engagement, which equals a monthly fee of \$55,000.00 are reasonable and beneficial to the bankruptcy estate. As described herein, the Fee Examiner and B&K spent considerable time during the Fee Period preparing for the significant and complex fee review in this case. In particular, the Fee Examiner and B&K, with the critical assistance of the analytic software licensed by Legal Decoder, were then able process the fee data from the 21 Retained Professionals for the First Interim Applications, and then began a process of issuing interim reports to the Retained Professionals on a rolling basis. As such, B&K asserts that the fees charged for the Fee Period are necessary, reasonable, and commensurate with the work performed.

#### **Notice**

28. B&K will provide notice of this Application in accordance with the Interim Compensation Order. B&K submit that no other or further notice be given.

WHEREFORE, B&K, in connection with services rendered on behalf of the Fee Examiner, respectfully requests approval of compensation in the total amount of \$220,000.00, inclusive of any holdbacks not yet paid to B&K, for actual, necessary legal service and expenses that B&K incurred in connection with such services during the Fee Period.

2. I have reviewed the *Second Interim Application of Bielli & Klauder, LLC for Compensation for Services Rendered and Reimbursement of Expenses Incurred as Counsel to the Fee Examiner, David M. Klauder, Esquire, for the Period from June 1, 2020 Through September 30, 2020* (the “**Application**”) to certify to certain matters addressed in the (i) *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* entered on November 21, 2019 [ECF No. 529] (the “**Interim Compensation Order**”), (ii) Rule 2016-1 of the Local Rules of Bankruptcy Procedure, incorporating the *Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York Bankruptcy Cases* [General Order M-447], among other guidelines (the “**Local Guidelines**”), and (iii) The United States Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases effective as of November 1, 2013 (the “**U.S. Trustee Guidelines**,” and together with Local Guidelines, the “**Fee Guidelines**”).<sup>2</sup> The Application covers the period June 1, 2020 through September 30, 2020 (the “**Fee Period**”).

3. To the best of my knowledge, information and belief, the statements contained in the foregoing Application are true and accurate in all material respects and comply with the Fee Guidelines in material part. B&K responds to the questions identified in the U.S. Trustee Guidelines as follows:

Question 1: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Answer: Yes. The monthly rate structure as set forth herein is different than B&K’s customary billing arrangements for similar engagements, however the monthly rate structure is necessitated by the significant size and complexity of the fee review in this case.

Question 2: If the fees sought in the Application as compared to the fees budgeted for the time period covered by the Application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: B&K has provided the client with the actual amount of fees incurred on a monthly basis and engages in ongoing discussions with the client regarding fees and expenses generally but did not prepare an itemized budget for the Fee Period.

Question 3: Have any of the professionals included in the Application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: As disclosed in the Retention Application, no.

Question 4: Does the Application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices?

Answer: No.

Question 5: Does the Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify hours and fees.

Answer: No.
